

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF KENTUCKY POWER COMPANY)	2018-00018
FROM MAY 1, 2017 THROUGH OCTOBER 31,)	
2017)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on February 16, 2018, to review and evaluate the operation of the Fuel Adjustment Clause (“FAC”) of Kentucky Power Company (“Kentucky Power”) for the six-month period that ended on October 31, 2017. As part of this review, Kentucky Power responded to two requests for information and the Commission held a formal hearing in this matter on April 18, 2018.

A review of Kentucky Power’s monthly FAC filings shows that the fuel cost billed for the six-month period under review ranged from a low of \$.02213 per kWh in May 2017, to a high of \$.03068 per kWh in July 2017, with a six-month average of \$.02698 per kWh.

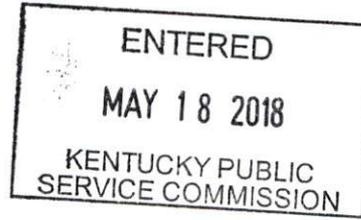

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence of improper calculation or application of Kentucky Power’s FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by Kentucky Power through its FAC for the period May 1, 2017, through October 31, 2017, are approved.
2. This case is closed and removed from the Commission's docket.
